"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything

WOMEN DEMAND GOVERNOR OF TEXAS REFUSE TO SPEAK AT ANTI RALLY.

Fall on Their Knees in His Office and Fray That He Change

Austin, Tex.-Nearly a thousand omen petitioned Gov. Calquitt to refuse to speak at an anti-prohibition rally. The formal presentation of the petition came late in the afternoon when the governor was practically alone in the state house. The women told the governor that they were there to present the petition in the name of "the mothers and sisters of the youth

Against Statewide.

Gov. Colquitt made the women pracmade to a delegation of ministers who waited on him in Houston in 1853, to ask him to support a prohibition law. Gov. Colquitt showed the women Gen. Houston's refusal of this request and told them that he was unalterably opposed to statewide prohibition. Before leaving, the women accused the governor of using his office to further the ends of private interests, and a number of them knelt on the floor and prayed that the governor might be

Queer Cure for Consumption. Some of the English papers announce the accidental discovery of what appeared to be a cure for consumption by means of the ammoniated gases generated in the production of maggots for fish bait in an establishment near Bradford. The United States consul at Bradford, in a repor to Washington, says: "While engaged in this work, it is said certain persons known to be suffering from tuberculosis have regained their health."

To Cultivate Memory.

The best way to remember a thing is thoroughly to understand it, and often to recall it to mind. By reading continually with great attention, and never passing a passage without understanding and considering it well, the memory will be stored with knowledge, and things will recur at times when we want them, though we can never recollect the passages or from whence we draw our ideas.
